

Monster Bookmarks

Materials:

3 inch square colored paper (base), small scraps of black and white paper for the eyes, a small scrap of paper for the teeth, and a small scrap of paper for the tongue, black marker, glue stick, scissors

Step 1:

Take the 3 inch square paper and turn it diagonally. Fold the paper in half with the open end away from you.

Step 2: Fold the middle point of the triangle towards you. You have made a small pocket.

Step 3:

Fold the left and right point upwards. Tuck them into the small pocket made in the previous step.

Step 4:

Using the colored scraps of paper cut out the eyes, teeth, tongue, and eyebrows. Use the black marker to color the eyes.

Step 5:

Glue the eyes on the two top triangles. Glue the teeth and tongue onto the pocket. Make sure you leave it open so you can put your bookmark on your book.. Glue the eyebrows over the eyes.

Step 6: Enjoy your reading friend!
